Release of Liability

I have full knowledge that basketball carries significant risk of personal injury, severe injury or even death. I also agree that as the parent/guardian to the noted child that I am responsible for my child's safety and in case of injury, I understand that I am responsible for all financial liabilities. To the best of my knowledge, my child is in good physical condition, has no condition that would be aggravated by participating, and has no communicable disease that could affect other participants. I agree to allow immediate medical care if needed. I agree to hold harmless the staff of HURLOCK'S SPORTS CAMP, the East Windsor Board of Education, East Windsor Recreation Department, and those associated with these organizations.
