

# STREET LIGHT ISSUES

For Street Lights that are out or damaged, please contact Eversource at (860) 286-2000 or visit their website at:

[www.eversource.com](http://www.eversource.com)

1. Click “Program and Services
2. Scroll down to “Street Light Repair Request”
3. Click on “Report a Street Light Problem”
4. Follow the next steps on the website.

## **Please Note:**

The Pole number is optional but helpful for faster repair.

**The location and nearest cross-street are mandatory.**
