AGRICULTURAL COMMISSION

Minutes
July 24, 2013

The Meeting was called to order in the Town Hall Meeting Room, 11 Rye Street, Broad Brook, CT at 7:00 p.m. by Chairman Albert Grant

ESTABLISHMENT OF QUORUM:

A quorum was not established, members present; Albert Grant, Janice Warren and Kirk Montstream

APPROVAL OF MINUTES:

Both May and June minutes were reviewed

REGULAR BUSINESS:

- COMMUNITY GARDEN- With planting season coming to an end, the garden could use some routine maintenance, mowing of the perimeter road. One of the resident gardeners had some tomatoes stolen from his garden plot. We hope the spice and tea farmers continue to grow and help to generate community interest with the garden. There was some chit chat about possibly having water piped across Reservoir Rd. to the garden and the dog park, that would be great for all parties involved. The driveway improvements, needed for the garden, look like they will be completed in the very near future. Special thanks to all involved with this years garden, it is sure to be an even bigger success than this years.

- FARMERS MARKET- the market has moved to it's new location at the East Windsor Trolley Museum for the remainder of the market season. 12 vendors are now on board, there is a lot of interest and a lot of excitement with the new location.

REGULAR BUSINESS:

- FOUR TOWN FAIR- September 12,13,14 and 15. Parade on the 14th 10:00am. The commission will keep this item on the monthly agenda. The commission hopes to generate lots of interest in the fair throughout the summer. East Windsor is the host town for this year. A list of people, companies, groups and other volunteer agencies will be created and updated at our monthly meetings throughout the summer.
