

# TOWN OF EAST WINDSOR IMMEDIATE PRESS RELEASE

East Windsor will take part in the Wreaths Across America Ceremony on Saturday, December 13th at 12:00 noon at the East Windsor Veterans Cemetery adjacent to the Windsorville Cemetery. The East Windsor Veterans Commission and The Connecticut Daughters of the American Revolution are planning this local ceremony which will run simultaneously with wreath-laying ceremonies at over 286 locations all across the world.

Beginning on December 7, 2008, over 10,000 donated Evergreen Wreaths from the state of Maine will make their annual trek to Arlington National Cemetery, where they will make their eventual home adorning the graves of our veterans on December 13th - a solemn tribute to those who serve and those who made the ultimate sacrifice.

Go to [www.WreathsAcrossAmerica.org](http://www.WreathsAcrossAmerica.org) for a complete listing of participating locations or if you would like to sponsor this project by donating a wreath.
