# Long Island Wine Country

*Soundview Restaurant*

*Osprey's Dominion Winery*

*September 20, 2012 Thursday*

It's just a short ride to New London, CT as we set sail for "Long Island Wine Country," aboard the **Cross Sound Ferry**. Relax aboard the ocean going ferry and enjoy the fresh salt air and warm sunshine from the big open sundeck or relax inside in the climate controlled cabin for a short 80-minute cruise across beautiful Long Island Sound. The ferry will dock at Orient Point, Long Island, where you will re-board our coach.

This afternoon savor the taste of fresh, New England Lobster, as you dine in comfort at the **Soundview Restaurant**, on the water overlooking Long Island Sound! (If you are not a lobster lover, there is a beef option).

After lunch visit one of Long Island's famed wineries, **Osprey's Dominion Winery**, for a tour and tasting of some of the best wines in the region. Ninety acres of vinifera grapes grow under the watchful eye of the soaring Osprey, the vineyard's namesake. You will be able to see how the wine is made in this state-of-the-art winery.

Before departing on your late afternoon ferry spend some time visiting the many shops and galleries in the quaint **Village of Greenport**, or just sit and watch the pleasure boats sail by.
