This form must be completed and returned to the assessor of the town that taxed the vehicle described below, not later than the thirty-first day of December next following the assessment year during which such tax was paid. The assessor may require you to submit motor vehicle lease verification information. Failure to file by the deadline constitutes a waiver of the right to claim a refund under §12-93a(b). Only the town that received the tax payment on the vehicle can issue a refund. If you are not a resident of that town, you must file this application with the assessor of the town that taxed the vehicle, and you must have filed a nonresident affidavit with the assessor of that town under the provisions of §12-94.
