

EAST WINDSOR POLICE DEPARTMENT CHIEF OF POLICE

On behalf of the dedicated men and women of the East Windsor, Connecticut Police Department I would like to welcome you to our internet web site. This site is designed and maintained in order to provide the public valuable insight into our Police Department, its operations, and our role within the East Windsor and Capital Region communities. The Town of East Windsor is truly unique. Although the town is still considered rural in nature with a population of just over 11,000 residents, it encompasses 26.3 square miles with highway access, and plenty of stores and restaurants along routes 5 & 140. East Windsor's population grew more than four (4) percent, more than any other town in Connecticut, according to the latest Census estimates. As an agency, we are charged with providing public safety for the five distinctive villages, all with different needs and characteristics. This Connecticut river town is centrally located midway between Hartford, CT and Springfield, MA, along the I-91 corridor, within close proximity to Bradley International Airport and rail service, and has a rich history and character.

As members of the East Windsor Police Department our mission is to provide a professional and cost effective community-oriented police service. We are committed to creating and maintaining an active community partnership, and assisting citizens in identifying and solving problems to improve the quality of lives in our neighborhoods, with our business community, and in our schools. We are dedicated to protecting life, property, and maintaining order while assuring fair and equal treatment to everyone.
