

The East Windsor Parks and Recreation Department would like to announce the relocation of its portable ice rink for the 2009-2010 season.

This year the ice rink will be located at East Windsor High School, 76 South Main St. instead of Osborne Park. This is to assist the high school with their winter carnival scheduled for January 30<sup>th</sup> at the high school. The rink is a skate at your own risk facility and will be lighted to allow for evening skating. We are currently in the process of setting the rink up and hope it will be ready for skating within the next few weeks, depending on the weather. Please check our website at [www.eastwindsorct.com](http://www.eastwindsorct.com) for up to date skating conditions. Please call our office at (860)627-6662 with any questions.
