

TOWN OF EAST WINDSOR

BUILDING DEPARTMENT

December 19, 2023

MEMORANDUM

Due to the rising cost of construction the Town of East Windsor will be implementing standard permit pricing per square foot for all new homes. The pricing will be \$150 per square foot of living space and \$50 per square foot of garage space.

Please be sure to calculate the cost of construction utilizing the new pricing to avoid any unnecessary delays in permitting.

Thank you

Kenneth A. Rich
