IV. Open Discussion

The members discussed the senior surveys that were passed out by Recording Secretary Amanda Schroll. The commission members looked over the surveys and after a brief discussion it was decided that over the summer, each member would come up with 4 questions each that they would like to have included in the survey that East Windsor will be conducting.

Ms. Formanek described what the plan would be for the Senior Center if it were to eventually move to the Town Hall Annex. Ms. Formanek said that the next step in the process was to do an asbestos abatement which is the first phase of

the architectural/engineering study, next is to get the engineering blueprints and then they will be able to apply for the grant. She believes we are looking at approximately 3 more years. It was suggested to contact Ellington's Senior Center as well as Bolton's Senior Center to see what they did as far as building brand new facilities for their Senior Centers. There was a brief discussion regarding the POCD and the revitalization of Warehouse Point.
