RFP Documents – Tromley Road Roadway Construction

East Windsor, CT – April 1, 2021

Addendum #1

- A. This addendum shall amend and supplement the information in the RFP Documents.**
- B. Proposers shall agree to be bound by the following terms and conditions.**
 - 1. The total base bid price, Total Proposal, shall be the total of items 1-9 on the **BID FORM**.
 - 2. Any items not specifically identified on the **BID FORM** should be carried across all items. The Total Proposal price shall be the cost to complete the project in accordance with the design plans.
 - 3. Generally, the road may not be closed to traffic during the construction period. If the need arises for a temporary closure, it must be approved by the East Windsor Police Department.
 - 4. Alternating one lane traffic will be allowed.
 - 5. Traffic patterns with flaggers are acceptable for traffic control.
 - 6. Traffic will be allowed to travel on gravel surfaces after hours.
 - 7. It is not the intent of the Town to use reclaimed bituminous pavement as the 12" base course.
 - 8. The Contractor is responsible for all materials and compaction testing.
