Public Comment:

Fred 148 Winkler Rd, paying taxes to the district and to the town, is there any resolution for paying double taxes? Louis, you are absolutely correct. We pay for both sides of town fire protection. Heat needs to be put on the town to correct this. The district can't bring a lawsuit to the town or pay for a lawsuit. Fred, are there any other solutions for this? Louis, right now BB has the best of both worlds. Right now, we are doing the best we can for what we are working with.

Tom Lacner, Chief Barton did a great prestation with 5 options, so we do have other options. Chief, there are a few options, one is to expand the current district to include the whole town, or create a district for BB. Both of these will take town meetings. We would need town support, BOS support.

Hearing none, I would make a motion to close the public hearing and move to the regular meeting Louis Flynn, Charlie Nordell second. All in favor
