

Snowfall Maintenance Reminders

Parking

Residents are reminded that the [Ordinance to Regulate General Parking](#) in the Town of East Windsor prohibits street parking during and after any period of snowfall or icy condition in order that the Department of Public Works will be able to safely and efficiently remove the hazards of snow and ice from the roads.

Snow Removal from Sidewalks

The [Sidewalk Ordinance Regarding Snow & Ice Removal](#) requires the owner, tenant, occupant, or person having the care, maintenance or rental of the land, building or premises adjoining or fronting upon a sidewalk to remove snow, sleet or ice within 24 hours following the cessation of the fall of snow or sleet. Failure to do so could result in a fine.

Snow Removal from Fire Hydrants

Residents are asked to clear any snow from fire hydrants on your property or nearby. Open a path to the hydrant and clear an area of at least 2 to 3 feet around the hydrant for easy access in case of an emergency.

Your Mailbox

Residents are reminded to make sure their mailboxes are secured and sturdy before the winter begins. Mailboxes that are damaged by the snow load will not be repaired by the Town. Please see [Policy Concerning Mailboxes and Mailbox Damage Form](#). If you have any questions, please call the Department of Public Works at (860) 292-7073 or email
