Re: Termination of Order for Town-Wide Indoor Mask Mandate

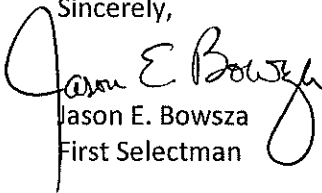

Dear Mrs. Lam,

On January 4th, I wrote to you ordering an indoor mask mandate for any spaces that are frequented by the public, effective on January 7th, pursuant to Governor Lamont's Executive Order 13A. In that order, I sited an alarming six-fold increase in COVID-19 cases in the community.

As of today, I am lifting that order. The case rates in our community continue to be high but have receded significantly from the levels that existed when my order of January 4th was issued. Accordingly, the Town will no longer require a universal mask mandate in local businesses.

Individual businesses are still permitted to establish their own requirement to wear masks inside their premises if they so desire. Members of the public will continue to be allowed to decide for themselves whether to wear a mask when frequent local businesses. Masks will be required indoors in Town-owned or operated facilities (Town Hall, Town Hall Annex, etc.) until further notice.

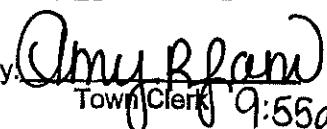

Sincerely,

Jason E. Bowsza
First Selectman
