

Please join us....

East Windsor Greater Together Community Fund Committee
invites you to join us for a “Meet & Greet” event

Monday, May 8th

6:30pm

Town Annex, School Street, East Windsor

Many of our past recipients of the Greater Together grant awards will be showcasing their projects.

This event will also welcome all those interested in future grant opportunities. It will feature networking, conversation and light refreshments.

To date, the East Windsor Greater Together Community Fund has distributed \$27,000 in 2021 to 6 projects and \$40,000 in 2022 for 11 projects.

Our goal is to inform the community of who we are, recognize the previous grant recipients from our first and second round, hear about their projects; and ask the community to help us address East Windsor’s needs in moving forward into the third round of grant giving in the Fall 2023.

This event is free and open to the public.

Any questions, please email us: ewcommunityfund@gmail.com
