

The Planning and Zoning Commission has been working to focus on finding ways to re-vision Warehouse Point while addressing stormwater issues that exist in that part of Town via a Planning Study. This study is part of a Responsible Growth and Transit-Oriented Development Grant from the State of Connecticut Department of Economic and Community Development. The link below includes a series of informational videos and a survey. We hope you will take the time to view the informational videos, complete the survey and submit any comments or questions you have. Thank you for your time and consideration.
