

# TOWN OF EAST WINDSOR

---

FIRST SELECTMAN ROBERT MAYNARD

September 25, 2019

Due to the identification of the Eastern Equine Encephalitis (EEE) infected mosquitos in neighboring South Windsor, all East Windsor Town and School outdoor activities will close at 6:00 p.m.

Parents will need use their discretion as to whether they allow their child to participate in activities in neighboring districts that do not have restrictions.

Please know that we will continue to monitor this situation. As always, the safety of our students and staff is our top priority and will guide our decisions in response to this public health concern.

Sincerely,

Robert L. Maynard  
First Selectman
