ADDENDUM #2

QUESTIONS AND ANSWERS

NOTICE TO ALL POTENTIAL RESPONDENTS If a question contained herein results in a change to the RFP, these changes will be set forth in a future Addendum. The original RFP Documents remain in full force and effect.

1. Q: The RFP requests that the base bid include implementation support (assistance/oversight of construction of new system). As it is unknown at this time if the Town will construct a new system or join the CLMRN, should the base bid include any procurement support (i.e., developing an RFP, assisting in evaluations and contract negotiations, etc.) to assist the Town with selecting the radio system vendor should the Town not to join the CLMRN?

A: The answer to this question is covered in the scope of work section of the RFP, under the Bid Item/Construction Supervision.
