

# **TOWN OF EAST WINDSOR**

FIRST SELECTMAN JASON E. BOWSZA

May 28, 2021

Good evening,

This is First Selectman Jason Bowsza reaching out to all residents of the Town of East Windsor.

Beginning this week, Town facilities have re-opened to the public for normal business activities, with the exception of the Senior Center, which will reopen for normal, indoor activities beginning on June 1. The Town will be adhering to the guidelines issued by CDC and Governor Lamont's Executive Order – anyone who is fully vaccinated can come into municipal facilities unrestricted; anyone who is not fully vaccinated will still be required to wear a mask while indoors.

This is a significant step towards our return to the post-pandemic new normal.

We are winding down the Town's vaccination clinics shortly, and we will be holding two final vaccination events this week: on Thursday, we will be partnering with Southern Auto Auction, Priority Urgent Care and USDA to hold a joint Farmers to Families Fresh Food Box distribution event, and a Johnson and Johnson vaccine clinic. Tomorrow's event will be at 5 Phelps Road from 9am to 2pm, and no appointment is necessary. Friday's event will be sponsored by the same partners and will be held in the Mill Pond Village Club House from 8:30a to 4p. For Friday's event, appointments are strongly encouraged so that we can ensure enough food boxes are available. You can make an appointment by calling 860-623-2430. Walk ins will be welcomed, but for vaccines only.

Johnson & Johnson is a one-shot vaccine protocol, which means you only need one shot and you are vaccinated. Anyone 18 years old or older is eligible for the vaccine.

This Saturday, the Warehouse Point Library will be holding a book fair from 8am to 3pm to benefit and showcase the library. Stop down and add to your summer reading collection!

Lastly, we are excited to announce that the East Windsor Summer Concert Series will be on June 10<sup>th</sup>. It will be held at East Windsor Park from 6:30pm to 8pm and will be our first opportunity to showcase the newly installed band shell with the general public. Please join us if you can!

I wish you continued good health,

Jason E. Bowsza  
First Selectman
