

September 1, 2021

Good evening,

This is First Selectman Jason Bowsza reaching out to all residents of the Town of East Windsor.

Our local health district has reported that East Windsor continues to be a “red” community in terms of COVID variant spread, with a case rate per 100,000 people of 16.5. This makes the COVID variant outbreak more prevalent in East Windsor than the average in the eight towns within our health district, and more prevalent than the statewide average. Residents are urged to take appropriate precautions and are reminded that masks are required indoors except in your own home.

Due to weather, this week’s summer concert has been moved to Friday, and will be from 6p to 7:30p.

There are a number of fun, family-friendly outdoor events this weekend, both on Saturday. The Connecticut Trolley Museum is celebrating their 81st anniversary with an “Anything that Moves” event, that will include trolley rides, a BBQ food truck, a performance by Steel and Eazy, and a static air show with Skylark Airport. The event will be from 11am to 6pm.

That same day, the Broad Brook Fire Department will be hosting a car and bike show at East Windsor Park from 10a-3p. The event is \$10 per car/bike, and free to the public.

Monday will mark the end of the splash pad for the season at the park. It has been a very popular attraction this summer, and we look forward to residents and guests continuing to enjoy it next summer.

Parks and Recreation is soliciting local businesses, nonprofits and community groups to be booth participants for this year’s Haunted Highway drive-through trick-or-treat event, which will be held on October 28th. Contact Park and Rec for more information.

September is Senior Center Month, and there is lots of fun programming scheduled. Check out the Senior Center’s website or Facebook page for more information.

Our local cub scout pack is looking for new members in grades k-5 or ages 5-11. Cub Scouting is fun for the whole family. It’s fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life. East Windsor Pack 89 meets Mondays from 6:30-7:30 at Scout Hall at 28 Abbe Rd. Please contact Manny Jacques at: 860-878-4582 for more information.

I wish you all continued good health.
