

**East Windsor Department of Public Works
Sidewalk Replacement
Main Street
Warehouse Point**

Addendum #1

1. If the bid exceeds \$100,000 prevailing wage rates must be utilized.
2. Base bids on re-using the existing base and provide a unit price in item #5 for removal and replacement of existing gravel base as necessary.
3. $\frac{3}{4}$ " recycled processed aggregate is not approved as base material.
4. Installation of wire mesh and dowels is limited to the 8" reinforced driveway sidewalk.
5. Integral sidewalk and curb is not anticipated for this project. Detail is provided in the event that it becomes necessary in a specific area. If necessary, a change order will be required.
6. Refer to detail for expansion joint filler.
7. The deadline for submission of bids will be extended to 10 a.m., Wednesday August 3, 2022, at the Department of Public Works, 6 Woolam Road, East Windsor, Connecticut.
