Great job to all involved with Gavin's Home Makeover, a wonderful event.

Old Business:

In-house snow and lawn care: If we purchase a John Deere we could save \$5200.00. It would be a John Deere series 1 tractor, a zero-turn mower, a spreader, a blower, and a weedwhacker. For everything thing, we need it would be around \$40,000.00. We currently spend \$23,000.00 a year on snow and lawn care.

Discussion of use of equipment, need, cost, and savings.

We are still receiving donations in the mail for Gavin's Home Makeover, we have raised about \$33,000.00 so far. We are planning a check presentation and parade on May 22.
